

# Eric Anderson

## Personal Information

✉ anderson.eric.t@gmail.com

## Profile

Experienced Full Stack Developer with a track record of delivering high-quality web applications. Proficient in frontend technologies, such as React, HTML, CSS, and JavaScript, and backend languages including Python and Node.js. Collaborative team player with a demonstrated ability to work cross-functionally to create user-friendly software solutions. Actively seeking a challenging position to further enhance my software development skills. Currently expanding expertise by learning Go.
